

Pool Usage Guidelines & Expectations

- Ensure you rinse off using the shower in the pool area before entering the water.
- Ensure appropriate swimming attire is worn in the water - i.e. bathers and boardshorts. If bathers are required to be covered whilst in the water, all garments must be water specific swim wear (regular clothing is not suitable).
- Ensure children are taking regular toilet breaks.
- If your child is not toilet trained, please ensure swimming nappies are worn – regular nappies are not waterproof, and therefore not acceptable (Please contact staff if you are unsure).
- If your child is unwell, please do not allow them to enter the water (Make-up classes are available for missed classes).
- Children need constant parental/guardian supervision whilst they are in the water.
- Ensure lap lanes are kept free for swimmers that are wanting to swim laps.
- The Pool Area is a shared space, please be respectful of other Bathers when using pool toys & equipment.
- Ensure all pool toys & equipment are returned to the storage box when exiting the water.
- No food is to be consumed in the pool area.
- Ensure the bathrooms are used in a respectful manner and left in a reasonable state.
- When showering, please be gentle when adjusting the shower heads and ensure water does not exceed the allocated cubicle area. Please dry off before exiting the cubicle.
- Ensure all Guests are signed in on the Guest Register at the concierge desk (MAXIMUM 2 guests per Lot).
- Report to Staff if any breaches of the above are observed by you.
